By EM FRENCH

Congratulations to the high school seniors, graduation day is almost here!

Senior week at Torrance III begins in full swing tomorrow night when the juniors give the prom for the seniors. The baccalaureate service is Sunday at the school auditorium. Monday there's an "aud call" when the seniors give over the senior patio to the juniors. Tuesday is the senior breakfast, planned by the seniors, but the juniors do the work. The mothers of all the graduates have been invited to the senior tea Tuesday. The graduation exercises are Thursday night at 7:30 on the football field, followed by an overnight party at the Deauville Club in Santa Monica. The highlight of the party will be the showing of the movies that were taken on the senior trip to Catalina May 18. There'll be dancing and swimming, too, and of course breakfast!

Following is a list of Riviera graduates, and a few facts about them: Barbara Bielefeld, after working in the hamburger and malt shop at Marineland this summer, will enter Occidental College in the fall. Barbara will major in secondary education and plans to be a high school teacher. . . . Patty Jo Blakeney will attend Chapman College in Orange, Calif. . . . Bill Bottomly will probably go to El Camino. Bill was in the high school band, played the saxophone, and will probably do the same in college. . . . The Brandt twins, Barbara and Beverly, are planning to work this summer and then go to El Camino. . . . Sally Bridgeman will go to El Camino, too. She is going to dance in Las Vegas this summer. Sally has recently won a Bank of America award for fine arts, for violin, and voice.

Roger Coeke will go to El Camino for two years and then on to SC, majoring in art. . . . Jerry Dallendorfer is uncertain as to what college he will attend. He is just back from the Memorial Day race at Indianapolis. Jerry is a member of the Chasers, a car club which is sponsored by the Torrance police. He won the trip to Indianapolis. . . . Jane Daiell will go to El Camino and major in psychology. This summer she will help her dad, Dr. T. F. Daiell, who is a chiropodist. . . . Clyde Denham III, who was on the football team this year, plans to work for Western Airlines this summer and go to El Camino in September. . . . Bob Elston will go to El Camino for two years and then

Harbor Tech To Cap 15 New Nurses

Included in the 15 members of the vocational nursing course at Harbor Junior College to be capped during the commencement exercises next Thursday are Helen Frances Douglass and Solange B. Parker, both of Torrance, according to Raymond J. Casey, director of the college. The traditional ritual will be performed by Mrs. Eleanor M. Anderson, R.N.-B.S., vocational nursing instructor. Capping of the nurses signifies their entrance into practical training at Harbor General Hospital, which jointly with the college sponsors the one-year vocational nurses' training program.

Other members of the class to be capped are: Leona Iva Dial, Barbara Helen Groscup, Alma A. Kuran, Dolly Isabel Martinez, Nellie J. McNeil and Ruby Juanita Wilson, all of San Pedro; Grace I. Inez, Georgia Lee Ross and Gloria Mae Conner, from Wilmington; Florence R. Stewart, Harbor City; Minnie Overstreet Waters, Bellflower, and Geraldine Aubert and Gloria O. Blackwell, both from Los Angeles.

Jack New Driver Head
Martin Jack, of 1411 Amalpa Ave., a driver training instructor at Leuzinger High School, was installed as president of the Los Angeles Driver Education Assn. at a recent meeting of the group at Los Angeles City College.

I was unable to contact Ronny and Bob Calkin, Karen Fuzak, John Needles, Jack Shioli and Jerry Thrall, but am sure that they have interesting plans, too. I hope I haven't omitted any. If so please accept my apologies.

Magee Millie was hostess this week to Mrs. Genevieve Wright from Tucson, Ariz., and Bessie Babbidge, who is en route from Panama to Oregon.

Helen Oberst, 175 Los Miradores, will be hostess on June 12 at 8 p.m. to the ladies who bake cookies for the Veterans' Hospital. The cookies will be wrapped and, of course, some will be sampled, accompanied

Karen Beard was hostess to seven of her little friends recently, namely, Nancy Barger, Pamela Ferrone, Lynn Bowman, Kathy Weller, Claudia Wald, Terry Lee Hatch, and Frances Simons. The occasion was the celebration of Karen's birthday. The girls played miniature golf but the highlights of the party were the eight individual doll cakes which Karen's mother made. The dolls, in their frosting dresses, were too pretty to eat, so there had to be a large doll cake, too.

Newcomers to the Riviera are June and Don Arndt and children Sue, 10, and Pam, 9. The Arndts, who formerly

have just moved into their spanking-new home at 348 Paseo De Gracia. Don is a Western Airlines' captain.

Judy Putsey, who belongs to a Rolling Hills Girl Scout troop, received her curved bar at the Rolling Hills court of awards which was held at the Dapplegray Lane School Sunday. Judy is the daughter of Mr. and Mrs. Howard B. Putsey, of 602 Calle de Arboles.

Brownie Troops 167 and 201 held a spaghetti dinner at El Retiro Park last week. In keeping with their tenderfoot requirements, the girls of Troop 167 laid the trail and the girls of Troop 201 followed it. Some school kids happened along

stores but, luckily, the girls were in sight of the park by that time.

Cub Scout Pack 718-C held its regular monthly meeting at El Retiro Park recently. Feature of the program was a cartoon film on electricity. George Skakel and Douglas Holt were welcomed to the pack as Bobcats, and Lion badges were given to Ted Bart and George Skakel. Gold arrows were awarded Greg Madden, Robert Fluke and Tim Flagerly, and silver arrows were given Greg Madden and Vaughn Garvey. Larry Davis was given a one-year pin. Robert Strahan, Don Dutwiler and Robert Fluke were named assistant denners, with Steven

Sparks and Irving Simons as denners.

Last week when I saluted Riviera College graduates I omitted Leo Hinchcliff's name. Leo, who works at Hughes Aircraft, lives at 508 Palos Verdes Blvd. with his wife Gorgene
